

## POWER YOUR DRIVE

### 403hp Rated Power\*

\*For 4WD Variant only. 2WD Variant has 246kW Rated Power

### 685Nm Torque\*\*

\*\*For 4WD Variant only. 2WD Variant has 550Nm Maximum Torque

### 215mm Ground Clearance

Intelligent AWD system with seven drive modes

## BUILT FOR EPIC ADVENTURES

### Dual Electric Motor\* supported by a 1.5L Turbocharged Gasoline Power Generator

\*4x4 variant only

Boost your journeys with exceptional power and reliability. This engine is engineered to deliver performance you can depend on, no matter the road ahead.

### 2-Speed Dedicated Hybrid Transmission

Operate at peak efficiency while balancing energy consumption and performance.

## DESIGNED TO BE DISTINCT

### Two-Tone 19" Aluminum Alloy Wheels

Get rolling in style with these eye-catching kicks.

### Muscular Exterior Styling

Enjoy its tough, hardcore, and minimalist aesthetic.

### LED Wraparound Daytime Running Lights

A striking facade that lights the way ahead.

## ELEGANCE MEETS MODERNITY

### Expansive Interior Space and Legroom

Comfortable driving experience for you and your family with its 2820 mm wheelbase

### Panoramic Sunroof

Open up your drives to the scenery all around you.

### 10.25" Fully Digital Instrument Cluster

Monitoring your drive has never been easier.

### 14.6" Floating Infotainment Screen

Enjoy USB, Bluetooth, Apple Carplay, and Mirroring capabilities.

### Dual-Zone Climate Control

Everyone can enjoy their individual temperature setting preference

## SAFETY THAT MATTERS

### Adaptive Cruise Control

Keeps a safe following distance between you and the car ahead.

### Forward Collision Warning

Warns you of stopped or slow moving vehicle ahead.

### Blind Spot Monitoring System

Detects other vehicles near your side and rear.

### Lane Keep Assist and Lane Departure Warning

Ensures your vehicle stays within lane and alerts you when you're leaving your lane.
